Sunshine Rare Coins Email Newsletter #15 April 2020 Edition!

Welcome to my April 2020 email newsletter. I'm happy to report that I just added 60 fresh new purchases on my website.

COVID-19 Update

Due to the Coronavirus Pandemic the March Whitman Baltimore show was cancelled. Soon after, the Central States show and almost all other coin shows in the country were cancelled. Both PCGS and CAC have been closed because of the Coronavirus.

After the cancellation of the Baltimore show, Stacks Bowers moved their auction back to their Califorina office. The prices

overall were very strong, given the circumstances. The final part of the legendary D. Brent Pogue collection realized record breaking prices, including stunning prices for high grade type coins..

Nobody knows when the next major coin show will be held. Many convention centers and hotels are being converted into field hospitals to help flatten the curve.

The health and well being of everyone is very important to me. Please stay safe, and stay home if at all possible. Sunshine Rare Coins is adjusting to this health crisis by updating the website often with smaller and more frequent new purchases additions. I am well positioned, with many new coins in the pipeline. If you are looking to sell your coins or are interested in consigning coins to me please contact me.

Please keep checking my website in the next few weeks because I will be adding new coins frequently. Also, please let me know if you have any coins on your want list that I can help you find - not all of my coins make the website. I have a growing number of collectors who give me want lists so I can help them find that special coin.

I have just added a large group of choice NEWPS to the website including some premium quality Bust and Seated coins across all price ranges.

Please visit my website below to see my full inventory, and email me at davidbsunshine@yahoo.com if you see anything of interest.

Thanks and stay safe,

David Sunshine
